

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Pinotage 2016

Planted on the highest slopes of the Paardebosch farm, in the Paardeberg, these dry-land farmed bush wines were planted in the 1990's. Starting every season with the harvesting of Pinotage, these early ripening grapes allow for great freshness to be achieved as it escaped the heat waves of the Swartland during the rest of harvest. Long, but delicate extraction during fermentation and then matured for only eleven months in older French oak barrels.
