

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Sémillon 2016

Made from two single vineyards, both bush vine vineyards and dry land farmed. One was planted in 1960 and the other in 1972 on the Paardebosch farm, where we are based. This vineyard is planted in the typical decomposed granite soils of the Paardeberg.

Wholebunch skin contact for seven days, before being pressed to stainless steel and then racked to an old 300 L French oak barrel to mature until the next vintage.
