

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Aristargos 2018

Chenin blanc (53%), Clairette blanche (13%), Sémillon (13%), Roussanne (10%), Viognier (9%) and Marsanne (2%).

With Old vine Chenin blanc as our main focus, the Aristargos 2018 is yet again predominantly both Chenin blanc and Old Vines driven, with younger Viognier, Roussanne and Marsanne blended in. Planting dates vary from 1960 until 2013. Granitic Paardeberg soils form the base of some Chenin blanc vineyards, the two Sémillons and Clairette blanche, while the Marsanne, one Viognier vineyard and more Chenin blanc grows in iron rich clay soils on the western side of Malmesbury, blended with more Viognier, Roussanne and more Chenin blanc from the northerly clay-rich soils, with finally the oldest Chenin blanc vineyard we work with dating back to 1962 planted in deep river bed sandy soils on underlying schist. Whole bunch pressed and naturally fermented, matured for 11 months in old neutral French oak barrels. The two Sémillon vineyards were left on their skins for a week before being pressed and matured in a big very old 2 500 L foudré.

Total production: 8 680 bottles

pH: 3.35

RS: 2.4 g/L

Alcohol: 13.5% alc

TA: 5.3 g/L

Yield: 1.0 – 4.0 t/ha

TSO₂: 99 mg/L
